

Dear Parents,

I am pleased to confirm that the Let's Make Theatre Drama clubs will continue at St Elizabeth's Primary School on Mondays and Wednesdays at 3.15-4.15pm.

These are cross-curricular drama clubs, run by myself, which I have had the pleasure of running at St Elizabeth's since 2014. The sessions aim to build confidence and encourage creative thinking and teamwork with a different cross curricular theme each term, from Roald Dahl, to Greek Myths to Shakespeare to time travel! Every week is an adventure, as children become the characters, places and objects in a story performed to friends and family at the end of each term. Children will be enjoying improvisations, games, acting and a whole lot of fun! For more information on all of my school workshops and drama clubs please visit www.letsmaketheatre.co.uk
