

# MESSY MAT

Art & Craft Workshops

Dear Parent,

Thank you for signing your child up to MessyMat Art & Craft Workshops at St Elizabeth's. We are looking forward to the Autumn Term and giving the children the opportunity to make and create in a fun, inspiring and sometimes messy environment.

**Start Date:** Wednesday 16 January 2019  
**End Date:** Wednesday 27 March 2019  
**(Please note there are no classes on 20 February, half term)**  
**Time:** 3.20-4.20  
**Teacher:** Lorena

Our classes offer open-ended exploration of materials and techniques, aiming to encourage creative minds to express their ideas and interests freely and independently, through fun and inspiring activities. Over the term children will go on an exciting, creative journey looking at artists and experimenting with different tools and artistic methods. Through the process of exploring materials, building skills, making mistakes and finding solutions, they will build their confidence, understanding and enjoyment of art.

This is a project based workshop, which allows children to try their hand at a range of skills including painting, print making and sculpture. No previous experience necessary - only an enthusiasm for art! We provide all materials, including aprons. However, please do be aware that some of our sessions will get messy so we suggest children bring in an old t-shirt in addition to this, in order to protect their uniforms.

Payment details and registration form are attached. **Please complete and return these in order to secure your child's place.** We look forward to seeing you next term.

Best wishes,

Liz and Molly
