

St Elizabeth's Catholic Primary School

Weekly Update from Jane Hines, Headteacher **30th April 2021**

Dear Parents & Carers,

We hope that your children have enjoyed their day at home. Our school staff have been in school today taking part in joint RE training with our six local Richmond Borough Catholic schools. This annual INSET Day is a valuable opportunity for both staff and curriculum development and is also a really good opportunity for our local Catholic schools to work collaboratively.

We are so pleased in school to be able to start our class assemblies again. Assemblies are a very special time for a class to come together and lead the school in prayer. They also give the children important experience of speaking in public. This week, Y4B led our whole school assembly, virtually from the hall, and they re-enacted Jesus meeting the disciples on the road to Emmaus. For Y4B parents, please do watch your child's class assembly that has been posted in Google Classroom for families to watch at home.

Parents' Meetings

We will be holding Parents' Meetings remotely on the evenings of Tuesday 11th May and Thursday 13th May, from 3:30 and 6:30 p.m. More details about booking arrangements will follow early next week so please do look out for the ParentMail communication.

Summer Term Dates

We are in the process of arranging educational visits and workshops, as well as confirming dates for some of our usual whole school summer term events. We will be sharing this programme of events with you shortly.

Wishing you a lovely long weekend ahead and with the Bank Holiday on Monday, we will see the children on Tuesday.

Kind regards,

Jane Hines
