Knowledge/Scripture/Liturgy

Christians believe that life is God's gift. All that makes up life - people, the Earth, places, things - are part of that gift. We appreciate and wonder.

- ❑ Children will **talk** about their own experiences of the world and what they love about our world.
- ❑ Children will **say** what fills them with wonder about the world.
- ❑ Through Scripture (Genesis 1:3,9,20,24-26), children will **recognise** that God created the world and God was pleased with the world.
- ❑ Children will recognise some of the words and phrases from The story of Creation.
- ❑ Children will recognise and begin to understand that everyone shares God's world.
- ❑ Children will **talk about and explore** how we will work together to share God's world.
- ❑ Through the example of CAFOD, children will **explore** ways we can help to make a fairer world with a particular focus on water usage.
- ❑ Children will **celebrate** their new knowledge and understanding by planning, leading and delivering their own end of topic liturgy.
