

Knowledge Organiser Geography Year 6 Autumn

St Elizabeth's Catholic Primary School
"Love one another as I have loved you"

Where does all our stuff come from?

Prior knowledge

- Longitude and Latitude
- Tropics of Cancer/Capricorn
- Equator
- Climate
- Map skills

Geographical knowledge and skills covered in this topic

- Children will use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied
- Children will describe, understand and compare contrasting geographical areas
- Children will compose and ask geographical enquiry questions and research answers using a range of sources
- Children will use an atlas/ globe/ map/ digital mapping to locate countries
- Children will know the journey of how products get to our homes
- Children will explain what 'fair trade' means
- Children will explain where in the world different foods are produced and effect of climate
- Children will explain the views of different people on geographical issues
- Children will understand that there are advantages and disadvantages to imported and locally produced products
- Children will explain how cotton clothing is produced
- Children will understand that our shopping choices have an effect on the lives of others

Key words

Compass Points: North, South, East and West

Consumer: person who buys goods or services

Continents: Europe, Africa, Antarctica, Asia, Australia, North America, South America

Country of Origin: country where items were made/come from

Equator: imaginary line around the middle of the Earth where day and night are almost equal, and there is little change in the season; some areas have a dry and wet season

Export: send goods into a country for sale

Import: bring goods into a country for sale
